**PROGRAMS AND SERVICES FOR PARENTALLY-PLACED  
NONPUBLIC SCHOOL STUDENTS WITH DISABILITIES**

The Board of Education recognizes its responsibility to provide special education services to eligible students with disabilities enrolled by their parents in nonpublic schools located within its district, regardless of whether such students are residents of the district. The scope of that responsibility affects:

1. The district's child find activities for locating, identifying, and evaluating parentally-placed nonpublic school students with

disabilities;

2. CSE and CSE subcommittee responsibilities for the development of an individualized education services program (IFSP) or a services plan

(SP) in the case of an out-of-state resident for any such student

determined to be eligible for special education services under the IDEA and Article 89;

prosecution of school district placements in approved private schools Special

District staff will obtain prior consent from the parent of a parentally-placed nonpublic school student with disabilities, or the student if the student is 18 years or older, for the release of personally identifiable information about the student from records collected or maintained pursuant to the IDEA between the district and the student's district of residence.

for such services on or before June 1 preceding the school year for which they want the district to provide services. However, if the student has not been first identified as a student with a disability until after June 1, the parent may submit

student will be entitled to services during the current year if the request is submitted before April 1.

The district will provide special education programs and services to parentally-placed nonpublic school students with disabilities with an IESP on an

equitable basis, as compared to special education programs and services provided to other students with disabilities attending public and nonpublic schools within the district.

The district will provide special education programs and services to parentally-placed nonpublic school students with disabilities with an SP to the extent required by the IDEA and its implementing regulations, and in consultation

4. The determination of the proportionate amount of the district's IDEA funds available to serve nonpublicly placed private school students will

5. How services will be apportioned if the proportionate amount of the
